D. Applications to other schools

If your son/daughter is auditioning for music awards at other schools, please list below all the schools (including Lancing College) in order of preference. It is essential that ALL schools are shown in order of preference on this form, and that the order is the same on the application forms sent to the other schools. This will be verified and, in the event that the order differs between schools, we reserve the right to reject your child's application. If Lancing College is your only choice, write "none" in the other spaces.

If your son/daughter has already accepted a music award of any kind at another senior school, he/she cannot attempt our Music Awards examinations without the written permission of that school.

E. Minimum Award and additional Financial Assistance

If you have applied to more than one school please tick one box below indicating the minimum award that you would accept at Lancing College:

Music Scholarship

Music Exhibition

Please note that this will not influence the decision. Awards are made on the basis of individual merit alone. In the case of candidates who are applying to more than one school it simply marks the point at which the first choice school will pass the candidate on to the 2nd choice school, and so on.

Please note: The deadline for Scholarship applications is 30 November. A pupil may apply for a maximum of TWO scholarships, but no pupil may benefit financially from more than one award.

F. Parental Declaration

- Lancing College awards music scholarships and music exhibitions on the basis of individual merit. A previous award of a music scholarship or exhibition or additional financial assistance to a sibling is no indication that an award or financial support will be provided to a younger brother or sister;
- Lancing College follows the procedure for Music Awards published by the Music Teachers Association (set out below). The school must adhere to that procedure, particularly with respect to the order of preference and the protocol for the acceptance of awards. We understand that it is not permissible to wait for results from schools lower in our stated order of preference before accepting an offer made by Lancing College.
- We have done all necessary research, financial, musical, academic and pastoral to be in a position to accept at the latest within 3 days of the date of offer any music award offered which complies with our stated minimum acceptance criterion in Section E above. We hereby declare our intention to accept such an award in the event it is offered, subject only to the order of preference. Acceptance must be made in writing (email acceptable). We understand that Lancing College can offer the award to another candidate if acceptance is not made within the time limit;
- We will be asked to sign Lancing College's standard Parent Contract when accepting a music award and entry to the school remains **conditional** on our son/daughter satisfying the academic standards required;
- Both parents/all persons with parental responsibility must sign below.

Below are the relevant sections of the Music Teachers Association Code of Practice as published in the Music Teachers Association Music Directory. A list of all the schools who have signed up to the Code can be found at: www.musicteachers.org

- Parents wishing to apply to more than one school should place the schools in order of preference. Once the application has been submitted this may not be altered. This order must be identical on the application form for each school.
- Application forms must be signed by the Head and Director of Music of the present school. The present school (not the parent) will then send copies of the application form (together with the confidential references) to each school at which a music scholarship is being sought.
- No school will make offers or intimations of awards.
- When applications are made to more than one school, the second choice school should wait to hear from the first choice school whether or not an offer is being made. If it is, then the second choice school should not make an offer. If the first choice school is not going to make an offer, then the second choice school is able to make an offer if they wish. An identical procedure follows for the school of third choice.
- In situations where candidates apply to a school or schools who have not signed up to the Code of Practice they must include them in their list of choices.
- Awards accepted verbally must be confirmed in writing and must be taken up in the following academic year.

Please note: The deadline for Scholarship applications is 30 November. A pupil may apply for a maximum of TWO scholarships, but no pupil may benefit financially from more than one award.
